### **Bio:**

Connie Gray is an adoptee and founder of Texas Adoptee Rights. Entering foster care at the age of three when a state social worker illegally terminated her mother's parental rights, Connie and her sisters were adopted into different families. Upon turning 18 in 1976, she petitioned the Travis county court, obtained her original birth certificate and within two years located her entire biological family.

Recognized as a 2013 Spokeo Search Angel, she is also a Texas representative for the American Adoption Congress and on the board of the Adoptee Rights Coalition. Ms. Gray's primary focus is educating the general public and politicians on the history of adoption in Texas and working to ensure equal access to original birth certificates. A Realtor, she lives in Austin, Texas with her husband and close to her children and grandchildren. Please like the Facebook page "Support Texas Adoptee Rights."
