*Journey through Generations*

**November 2-4, 2018**

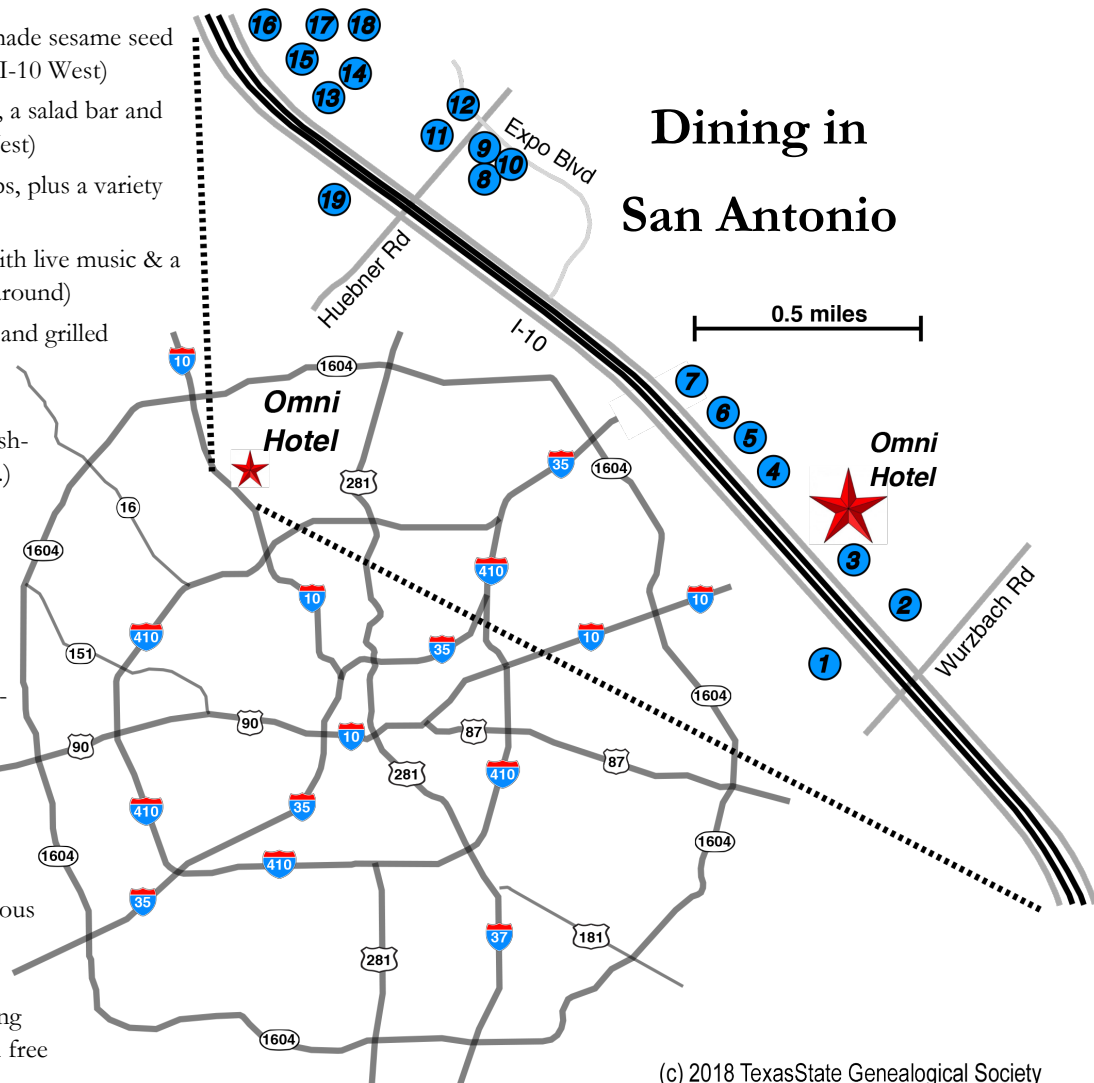

at the *Omni San Antonio at the Colonnade*

As the conference hotel is conveniently situated among a large variety of restaurants and cuisines that meet a range of budgets and dietary needs, TxSGS opted to forgo lunches and provide an extended lunch break for this year's conference. Attendees can step away from intensive learning, stretch their legs, chat with other genealogists, and form new friendships in any of the nineteen restaurants within a mile or so of the conference hotel. In addition to the hotel restaurant, the list below represents just a smattering of the dining establishments nearby. Please refer to a map or your GPS for directions.
